Josephine Herrick Project

Josephine Herrick Project is a 75 year old volunteer service organization that partners with schools, libraries, hospitals and social service agencies to provide free photography programs led by volunteer professional photographers.

We recognize the camera as a transformational tool for self-expression, community exploration and confidence building. Our participants engage the world through the visual language of photography and culminate their experience in the creation of photography books and exhibits.

Josephine Herrick, Founder

Bronx Vet Center

The Bronx Vet Center, under the United States Department of Veteran Affairs, provides services and referrals for veterans. Vet Centers across the country provide a broad range of counseling, outreach, and referral services to combat Veterans and their families.

Vet Centers guide Veterans and their families through many of the major adjustments in lifestyle that often occur after a Veteran returns from combat. Services for a Veteran may include individual and group counseling in areas such as Post-Traumatic Stress Disorder (PTSD), alcohol and drug assessment, and suicide prevention referrals. All services are free of cost and are strictly confidential.
